**FINANCIAL COMPENSATION AT GMM**

## IMPORTANT GENERAL MEMBERSHIP MEETING

Wednesday, May  
23rd, at 7pm in  
room F210

### PROGRESS ON SOME ISSUES, DIFFICULTIES WITH OTHERS

After two long days of bargaining on Monday and Tuesday the Collective Bargaining Committee is pleased to announce significant progress on one of our most important articles, Tenure and Promotion. Though we still have some work to do on this complicated but central article, we have come a long way from where we started. Likewise, we have made progress in our discussions about scheduling and are close to agreement on that article. Progress on other key articles such as Academic Freedom and the role of the Chairs is not as promising, but we will continue to work hard to reach agreement on them. The team remains committed to getting the best deal possible for you.

As busy as this week has been we will be even busier next week as our attention shifts to money. The Employer has signalled that we can

expect details of their response to our proposals that have elements of financial compensation. In other words, we will have ***important*** information to relay to you on Wednesday.

We need you to attend a General Membership meeting next Wednesday (23 May) at 7 pm in F210 in North Bay, with video links to Bracebridge and Brantford (details to come). Please, if you are able, come out and support your Bargaining Team, which is only as strong as we all are together!

As usual, childcare reimbursements are available and videolinks to Bracebridge and Brantford are available. Contact Angela Fera in the NUFA office, A239, or at [nufaoffice@gmail.com](mailto:nufaoffice@gmail.com) for more information.
