

Constitution Committee Annual Report AGM 2011

This year the NUFA Constitution Committee members included: Jonathan Pitt (Chair, Education), Chris Hachkowski (Education), Uldis Kundrats (Arts & Science), and Rhiannon Don (Arts & Science). The committee met three times. Twice face-to-face and once electronically this year with our aim being to enhance the existing document for the membership. One issue that we will be seeking input from the membership and proposing a motion for at the May 2011 AGM is the additional grievance officers. The committee was proud to have played a part in the process of revitalizing the constitution; the changes proposed this year (motions that were passed) are pending your approval as distributed in the April 20th email (as an attachment) Proposed Constitution Amendments May 2011.
